USUALLY, THERE ARE MANY CASES THAT THE DOCUMENT WHICH IS MADE BY THE SAME APPLICATION ACCOMPANYS THE SAME ICON, REGARDLESS OF ITS VERSION. HOWEVER, FOR EXAMPLE, AS SHOWN IN THE DRAWING, IF THE DOCUMENT ICON IS DISPLAYED WITH BEING REPLACED INTENTIONALLY ACCORDING TO A VERSION, A CONVENIENCE IS GIVEN TO USERS.

FIG. 7

IN ADDITION, WHEN A LIST OF A DOCUMENT FILE IS DISPLAYED, ONLY A NAME OF THE DOCUMENT WHICH IS READABLE BY AN APPLICATION OF A SPECIFIC VERSION IS DISPLAYED, THUS USERS DO NOT HAVE TO DISTINGUISH A DIFFERENCE OF AN ICON ON EACH CASE, AND MORE CONVENIENCE IS GIVEN TO USERS.
